

Act 17 Readiness Checklist

Is your district on track for Greg Moyer's Law?

PA Act 17 of 2026, known as Greg Moyer's Law, took effect May 13, 2026. Full compliance is due May 13, 2029. Annual automated external defibrillator (AED) inventory reporting to the Pennsylvania Department of Education begins June 30, 2027.

TRAINING AND CERTIFICATION

- ☐ CPR/AED instruction offered to all employees and volunteers at least once every two years, on school premises
- ☐ School nurses, or their designees, hold current CPR/AED certification
- ☐ Athletic coaches, athletic trainers, physical education teachers, and marching band directors hold current CPR/AED certification
- ☐ At least one CPR/AED-certified person is present in each building during every school day

AEDS AND EMERGENCY PLANNING

- ☐ AEDs are readily accessible during all athletic practices and events
- ☐ A written cardiac emergency response plan is in place and reviewed annually
- ☐ An annual sudden cardiac arrest drill is conducted

REPORTING AND PROVIDERS

- ☐ AED inventory is ready for annual Pennsylvania Department of Education reporting, beginning June 30, 2027
- ☐ Training is delivered by an approved provider: American Heart Association, American Red Cross, National Safety Council, a certified instructor, or a Department of Health-approved agency

_____ unchecked boxes. Each one is a gap to close before May 13, 2029.
